

## Arjun Majumdar

Senior Associate

---

*I am a senior associate in Fox Williams' technology team. I specialise in data protection and privacy and advise clients in a range of sectors.*

---

Arjun's specialism is data protection and privacy. He has nearly a decade of experience working with a diverse range of clients, from large corporations to start-ups, on data protection compliance strategies. He helps clients find solutions for complex and large-scale data privacy issues. His expertise includes delivering training and workshops and advising on various data privacy-related matters. These matters include data protection impact assessments, cross-border data transactions, data breach management, AI-related issues, data subject requests, data protection policies, privacy policies, cookie compliance, e-marketing, and data privacy clauses.

Returning to Fox Williams in 2022 having worked in-house in the sports data and media industries, Arjun understands first-hand the challenges and pressures confronted by businesses.
