

James Carlton

Partner

I am a partner in Fox Williams' white-collar and contentious financial services regulatory team. I have in excess of 30 years experience of practice and have advised upon and had conduct of a large number of complex and long running investigations and prosecutions.

James specialises in all areas of white-collar crime, fraud, competition and regulatory and criminal investigations and prosecutions, both UK and internationally.

He advises corporates and individuals in internal investigations and advises those facing complex investigations and enforcement actions by regulators and prosecutors, both UK and cross-border.

James is well known for his enormous experience and expertise in this area, working on the most complex and high-profile matters of the day.
